Instructions for following section: Research interests and faculty compatibility are heavily stressed in our program. It is important that you match your research interests with the appropriate specialty track and faculty member. You can find information on specialties and faculty at the [faculty web site](#).

Please put an "x" next to the specialty track of your choice. If you have more than one choice, rank them by indicating a 1 (first) or a 2 (second).

_____ Behavioral Medicine/Health Psychology _____ Experimental Psychopathology _____ Neuropsychology

Please write up to 6 brief areas that characterize your research.

List three professors with whom you might like to work. Only choose those professors with the same specialty interest as your own. Do not choose ones with asterisks next to their names.
