

SCOTT C. ROESCH, Ph.D.**Personal Information**

Work Address: Department of Psychology
San Diego State University

5500 Campanile Drive
San Diego, CA 92182-4611
(619) 594-2652
scroesch@sciences.sdsu.edu

Education

Postdoctoral Training Fellowship in Health Psychology	July 1998	University of California, Los Angeles Department of Psychology Advisors: Christine Dunkel-Schetter and Bernard Weiner
Ph.D.	May 1996	University of Nebraska-Lincoln Department of Psychology Dissertation Advisor: Richard Dienstbier Dissertation Title: Positive Affects and Mood-Congruent Attitudes: Introducing a State-Trait Model of Affective and Cognitive Susceptibilities
M.A. with Honors	May 1993	California State University, Long Beach Department of Psychology Thesis Advisor: James Amirkhan Thesis Title: Analyzing Attribution Theory's Dimensions and the Self-Serving Bias in a Sporting Domain: An Archival Analysis
B.S. with Honors	June 1991	University of California, Davis Major: Psychology with Math Emphasis

Academic Experience

8/06-present	Associate Professor , Department of Psychology, San Diego State University
8/02 – 7/06	Assistant Professor , Department of Psychology, San Diego State University
6/04 - present	Methodological and Statistical Core Research Scientist , Child and Adolescent Services Research Center, Children's Hospital, San Diego, CA

9/99 - 6/02

Assistant Professor, Behavioral Sciences Department,
California State Polytechnic University, Pomona

Grants Funded

14BB-2600: California Breast Cancer Research Program (PI: Georgia Sadler) 06/01/2009-05/31/2011
Breast Cancer Clinical Trials Education Program. This randomized controlled trial (RCT) will test a Breast Cancer Clinical Trials Education Program (BCCT) specifically for increasing AA and HA women's

knowledge of, positive attitudes toward, and participation in breast cancer clinical trials.

Role: Co-Principal Investigator

2R01MH060195-06: National Institute of Mental Health (PI: Joe Price) 06/01/2009-05/31/2014
Community Implementation of KEEP: Fidelity and Generalization of Parenting Effects. This continuation

grant examines whether or not the positive effects of the Keeping Foster and Kinship Parents Trained and Supported (KEEP) intervention generalize to other children in the care of foster parents in the program.

Role: Co-Principal Investigator

1P30MH080002-01: NIMH (PI: Dilip Jeste)

09/24/2007-08/31/2012

Advanced Center for Older People with Psychoses. The purpose of this advanced research center is to improve the quality of care for middle-aged and older adults with schizophrenia and other psychoses through the development, implementation, and dissemination of evidence-based practice through community partnerships.

Role: Co-Principal Investigator (PI SDSU)

1R21AA016769-01A1: NIH (PI: Audrey Shillington)

04/01/2008-03/31/2010

Secondary Analysis of Existing Alcohol Epidemiology Data. This study will use the NLSY child data from 1988-2000 to examine report consistency for adolescent alcohol and drug use across seven waves of data spanning 13 years.

Role: Co-Principal Investigator

R01 CA113828-01: NCI (PI: Gregory Norman)

08/01/2005-07/31/2009

Multilevel Mechanisms of Physical Activity Change. The purpose of this research is to understand how intrapersonal, interpersonal, and environmental levels influence multiple health problems in children, adolescents, and adults.

Role: Co-Principal Investigator.

DHHS:ACYF/OCAN 90CA1748 (PI: Al Litrownik)

09/30/2005-09/29/2010

Consortium for Longitudinal Studies of Child Maltreatment, San Diego. The purpose of this research is to examine the antecedents and consequences of child maltreatment.

Role: Co-Principal Investigator

15AT-1300: Tobacco-Related Disease Research Program (PI: Scott Roesch) 09/01/2006-08/31/2009
Prevalence and Correlates of African American Tobacco Use. The purpose of this research is to elucidate the potentially unique community (e.g., segregation, neighborhood SES), social (e.g., racial discrimination) and cultural (e.g., religiosity, hip-hop subculture) factors affecting that tobacco use in African Americans.

Role: Principal Investigator

MH065515: NIMH (PI: Terry Cronan) 05/01/2007-04/30/2010

Intra and interethnic differences in daily stress and coping: The predictive ability of the Behavioral Concordance Model. The purpose of this research is to conduct an internet-based daily diary study on minority college students and adolescents in general. Trait-state models of the stress and coping process will be evaluated.

Role: Principal Investigator of this Subproject

MH065515: NIMH (PI: Terry Cronan) 09/01/2005-08/31/2006

Psychological Adjustment as a Function of Daily Stressors: Preliminary Evidence for Normative Stress and Coping Models in Minority Adolescents. The purpose of this research was to explore trait-state models of the stress and coping process in minority adolescents.

National Institute of Mental Health

Role: Principal Investigator of this Subproject

2 U24 AA014811-04: NIAAA (PI: Ed Riley) 9/30/2007 – 7/31/2012

Administrative Core of the CIFASD (U24). The major goal of this project is to continue the Consortium for the Collaborative Initiative on Fetal Alcohol Spectrum Disorders (CIFASD).

Role: Statistician

5 U24 AA014811-03: NIAAA (PI: Ed Riley) 9/30/2003 – 8/31/2007

A Cross-Cultural Assessment of FASD (U24 Core). The major goal of this project is to develop a Consortium for the Collaborative Initiative on Fetal Alcohol Spectrum Disorders (CIFASD).

Role: Statistician

5 U24 AA014830-03: NIAAA (PI: Ed Riley) 9/30/2003 – 8/31/2007

Neurobehavioral Core - CIFASD. The major goal of this project is to provide for the assessment of the behavioral manifestations of fetal alcohol spectrum disorder (FASD) in order to provide a valid profile or profiles that would be useful in detecting prenatal alcohol effects.

Role: Statistician

(1995, July). *Cooperacao, competicao e preferencia de alocacao de recursos individualisticos: Uma comparacao entre criancas brasileiras e norte-americanas*. Paper presentation at IV Salao de Iniciacao Cientifica da UFRGS in Porto Alegre, R.S., Brasil.
- Roesch, S.C. (1995, June). *The factor structure of positive affect: Confirmatory factor analyses of multitrait-multimethod models*. Poster presentation at the Annual Conference of the American Psychological Society, New York City, NY.
- Carlo, G., Roesch, S.C., Knight, G.P., Koller, S., & Dos Santos, R.P. (1995, June). *A cross-cultural examination of social decision-making in Brazilian and American children*. Poster presentation at the Annual Conference of the American Psychological Society, New York City, NY.
- Mizumoto, A., Lott, R., Roesch, S.C., Hemenover, S., Carlo, G. & Dienstbier, R.A. (1995, June). *Enhancement of punitiveness via the weapons effect*. Poster presentation at the Annual Conference

of the American Psychological Society, New York City, NY.

Roesch, S.C. (1995, May). *The hierarchical structure of positive affect: First- and second-order confirmatory factor analyses*. Paper presentation at the Annual Conference of the Midwestern Psychological Association, Chicago, IL.

Gies, D., Brooks, J. & Roesch, S.C. (1995, April). *Interactive mood induction and test performance: The search for resulting emotional states*. Poster presentation at the Annual Great Plains Conference, Emporia, KS.

Kim, E., Shroeder Lanzfeld, A.K. & Roesch, S.C. (1995, April). *Mood salience and the attribution process: Can affect mediate explanations for performance?* Poster presentation at the Annual Great Plains Conference, Emporia, KS.

Roesch, S.C. & Shrewsbury, B.K. (1993, April). *Abortion views of others: Revisiting the false consensus and actor-observer effects*. Poster presentation at the Annual Conference of the Western Psychological Association, Phoenix, AZ.

Research Interests

Instrument Validation

- Cross-ethnic measurement equivalence
- Stress and positive psychology instruments
- Emotion

Stress and Coping

- Cognitive approaches (attributions, appraisals)
- Big Five personality traits
- Role of acculturation and ethnic/cultural Differences

Illness

- Social Responsibility (Judgments)
- Psychology of cancer

Teaching Experience

1/03-present	Statistics in Psychology, San Diego State University (PSY 270)
1/03-present	Advanced Statistical Methods in Psychology, San Diego State University (PSY 670a & b)
9/02-present	Multivariate Statistics, San Diego State University (PSY 775)
9/99-6/02	Statistics for the Behavioral Sciences, California State Polytechnic University, Pomona
9/99-6/02	Survey Research Methods, California State Polytechnic University, Pomona
9/01-6/02	Computer Applications in Psychology, California State Polytechnic University, Pomona
1/02-3/02	Social Psychology, California State Polytechnic University, Pomona
9/99-12/01	Research Methods, California State Polytechnic University, Pomona
1/00-3/00	Applied Social Psychology, California State Polytechnic University, Pomona
6/00-9/00	History of Psychology, California State Polytechnic University, Pomona
1/99-4-99	Statistics, University of California, Riverside
6/96-5/98	Research Methods in Social Psychology, University of California, Los Angeles

1/97-6/99 Social Psychology, University of California, Los Angeles

Teaching Awards

Outstanding Faculty Member for the SDSU/UCSD Joint Doctoral Program in Clinical Psychology, 2007-2008.

Honorable Recognition Award for the Advancement of Student Development, San Diego State/University of California, San Diego Joint Doctoral Program in Clinical Psychology, 2004-2005.

Outstanding Professor Award, San Diego State University, Department of Psychology, 2002-2003.

Professor of the Year, California State Polytechnic University, Pomona, Behavioral Sciences Department, 2001-2002

Professor of the Year, California State Polytechnic University, Pomona, Behavioral Sciences Department, 2000-2001

Teaching Council and Parents Association Award for Teaching Excellence, University of Nebraska-Lincoln, 1994-1995.
