**PREREQUISITE:** You must have earned at least a B in an introductory statistics class. Failure to meet this requirement may subject you to being dropped from the course anytime during the semester.

**ATTENDANCE:** Attendance is mandatory. You are expected to attend EVERY class, on time, regardless of time in the semester or where we meet (classroom, stat lab, etc.) Unexcused absences in excess of two (2) will be reflected in your final grade. If you are unsure of your attendance record, ask the T.A.
